RESULTS

01

POWER CLEAN

Universal concentrated detergent for the cleaning of hull and all of hard surfaces. It contains vegetal origin raw material. Dermatologically tested product.

02

SF TEAK STEP 2

Low-foaming cleaner specifically designed to remove stubborn dirt and stains from teak. Restores the natural beauty of the wood while gently eliminating salt and oxidation residues.

03

SF TEAK STEP 1

Eco-friendly degreasing detergent designed to gently remove dirt and grime. Ideal as the first step for cleaning teak decks and other sensitive surfaces affected by oily or greasy residues.

04

SF TEAK 2 IN 1

Versatile 2-in-1 product for teak maintenance. Specifically formulated to restore both the color and the natural look of teak in just one simple step. Perfect for cleaning all types of teak surfaces.

05

SF BILGE DEGREASER

Degreasing detergent ready to use with a fresh Marseille soap scent. Meets European Ecolabel criteria. Suitable for daily cleaning of bilges, engine rooms and areas with heavy grease or oil buildup.

06

SF GLASS

High-foaming cleaner for cleaning glass and smooth surfaces. Effectively removes dust, smudges, streaks, fingerprints and external grime from windows, mirrors, panels and other washable surfaces. Leaves no streaks or residue.
